2026 CENSUS NIGHT

TUESDAY 11 AUGUST 2026

The Census is Australia's largest survey of our population and housing.

EVERY ANSWER MATTERS.

From late July 2026, households will receive instructions on how to complete the Census.

You can complete the Census as soon as you get your instructions, if you know where you'll be on Census night.

Most households will get a letter with instructions to complete the Census online.

If you get instructions to complete online but would prefer a paper form, you'll be able to request one.

Some households will get a paper form.

Once completed, return it using the Reply Paid envelope provided. There are instructions on the form if you would prefer to complete it online.

Some people living in remote areas and people experiencing homelessness will have help to complete their Census from one of our Census field staff.

You need to complete the Census wherever you are staying on Census night.

Local Laws

Animals Environment & Nuisance Local Law

DIVISION 4 - KEEPING OF FARM ANIMALS

A farm animal includes a sheep, cow, goat, horse (excluding a miniature horse), deer, alpaca, pig (excluding a miniature pig) or any other animal classified by the local government.

Division 4 outlines the following:

Permit Requirements (Section 2.22)
A permit is required to keep farm animals unless the property is located in a rural zone and complies with the Local Planning Scheme. Exemptions apply prior to implementation of Local Laws 2016.

Applying for a Permit (Section 2.23)
Applications must be submitted in the approved form and may require supporting information, such as a site plan and manure management plan.

Determination of Application (Section 2.24)
The Shire may approve an application (with or without conditions), refuse an application, or decline to determine an application that does not meet the required standards.

Conditions of Approval (Section 2.25)
When assessing applications, the Shire considers factors such as neighbouring properties, animal shelter, property suitability, and any other matters necessary to protect the amenity of the neighbourhood.

Variation to Permit (Section 2.26)
The Local Government may vary the conditions after the permit has been issued.

Conditions for Keeping Farm Animals (Section 2.27)
The owner or occupier of the premises upon which a farm animal/s are kept shall adhere to all conditions listed in this section including maintaining their property in accordance with the requirements of the Local Law.

Please note that these notes are intended as a summary of selected provisions of the Local Law and should not be relied upon as a substitute for the full document. For complete information and context, please refer to the Local Law in its entirety.

August is Rural Road Safety Month

In 2025, 906 Australians were killed on our rural roads. That's 906 families receiving the worst phone call imaginable. 906 stories interrupted before their final destination was ever reached. Don't be the reason someone never arrives at their destination. Choose road safety. Slow down, stay alert, and make sure every journey ends safely.

Think differently about the journeys you take - because no holiday, weekend away or drive home is worth risking a life.
