HARVEST, VEHICLE MOVEMENT, COMBUSTIBLE ENGINE AND HOT WORKS BAN

The Harvest, Vehicle Movement & Hot Works Ban, once declared by the Shire, prohibits all harvesting operations, all vehicle movement on a property (with the exception of essential watering of stock in a diesel powered vehicle) and all hot works such as welding, grinding and abrasive tools within the Shire of Kellerberrin and are issued under the *Bush Fires Regulations 1954 38A* and *38C* and where a Total Fire Ban is in effect, *Bush Fire Regulations 1954 24C*.
When a ban is declared it is sent out via SMS. Please contact the Shire to be added to the group.

The Shire of Kellerberrin implements a Harvest Vehicle Movement & Hot Works Ban on Christmas Day, Boxing Day & New Years Day.

FUEL REDUCTION & FIREBREAK REQUIREMENTS

Pursuant to the powers contained in *Section 33 of the Bush Fire Act 1954*, you are hereby required on or before the 1st day of November 2026 to construct fire breaks and/or clear your property of flammable material in accordance with the following, and thereafter to maintain firebreaks up to and including the 16th day of April 2027. This is to be maintained for the duration of the restricted and prohibited burning periods.

Town Site Land & Area less than 2,024m2
All hazardous material is to be removed from the whole of the land except living trees, shrubs and plants. The remaining vegetation is to be maintained to a height of no greater than 7.5cm.

Land Area greater than 2,024m2
All land over 2,024m2 is to comply with the requirements of rural land.

Rural Land
All land is required to have a bare mineral earth fire break no less than three (3) metres in width, as close as practicable, inside all external boundaries of said land.

All land surrounding erected building is required to be cleared of all flammable material by way of burning, slashing or mowing, and maintained to a height no greater than 7.5cm.

Road Reserves
Owners and occupiers of land are hereby notified that Council has adopted a policy of NO roadside burning or spraying for the purpose of fire protection. In certain circumstances, Council permission can be granted to spray or burn upon application.
At any time, where a landholder intends to burn, a three (3) metre firebreak clear of flammable material must be placed within the property alongside the road reserve to prevent the escape of fire from the paddock to the road reserve.

TOTAL FIRE BAN (TFB)

A Total Fire Ban (TFB) is declared by DFES on days when fires are most likely to threaten lives and property, This is due to extreme fire weather or when there are already widespread fires, and firefighting resources are stretched.
Occasionally TFB's may be declared outside of a fire season due to other factors such as higher temperatures and expected strong winds preceding a storm front.

TOTAL FIRE BAN CONT.

On a Total Fire Ban day, it is illegal to light an open air fire or conduct any activity that could start a fire.

The full list of prohibited activities can be found on the DFES website. Some of these activities are prescribed in the *Bush Fire Regulations 1954* meaning they can be carried out during a TFB, providing you comply with the conditions.

BREACHING A TFB

You could receive a fine of $1,000 by Police, Local Government or DFES for breaching a TFB. Further penalties apply upon conviction.
For breaches of a TFB, contact the relevant Local Government or the TFB Hotline. If the behaviour is related to arson, report to the Police.

LOCAL LAWS

ACTIVITIES ON THOROUGHFARES AND TRADING IN THOROUGHFARES AND PUBLIC PLACES LOCAL LAW

DID YOU KNOW?

Division 1 – Stallholders and Traders

A person must not operate a stall in a public place unless they hold a valid stallholder's permit or are an authorised assistant identified in a valid permit. While operating a stall or conducting trading activities, the permit holder must ensure that their permit is prominently displayed on the stall, vehicle or temporary structure. Where no such structure exists, the permit must be carried by the permit holder and made available upon request.

Division 2 – Street Entertainers

A person must obtain a valid permit before undertaking any form of street entertainment in a public place. Street entertainment includes activities such as playing a musical instrument, singing, miming, dancing, performing acrobatics or aerobic displays, and other forms of entertainment. Public speaking is excluded from this requirement. A street entertainer's permit may be issued for a period of up to three months, unless cancelled earlier.

Division 3 – Outdoor Eating Facilities in Public Places

A permit is required to establish or operate an outdoor eating facility within a public place. This requirement does not apply to facilities located entirely on private property. When assessing an application, the Shire will consider a range of factors, including the registration status of the associated food business, access to appropriate ablution facilities, the proposed location and layout of the facility, and the suitability of any equipment to be used.

Please note that these notes are intended as a summary of selected provisions of the Local Law and should not be relied upon as a substitute for the full document. For complete information and context, please refer to the Local Law in its entirety.
