Dear Raymond

The Kellerberrin Sport and Rec Committee at its most recent committee meeting had a discussion around the current land used for cropping which was kindly made available by the Shire of Kellerberrin currently of which there is one more year left on the lease.

It was discussed at the meeting that we would like to treat the paddocks with lime next year and with this being the case we would like to request that the lease be extended for a further 3 years so that we can reap the benefits of the lime application.

Once again the Sport and Rec committee extends its gratitude to the shire for the availability of the land and look forward to your response at your earliest convenience.

Yours Sincerely

Brett Taylor
Chairperson
