Attachments: 1. Action Sheet - August 22

BACKGROUND

Council at its March 2017 Ordinary Meeting of Council discussed the use of Council's status report and its reporting mechanisms.

Council therefore after discussing this matter agreed to have a monthly item presented to Council regarding the Status Report which provides Council with monthly updates on officers' actions regarding decisions made at Council.

It can also be utilised as a tool to track progress on Capital projects.

STAFF COMMENT

This report has been presented to provide an additional measure for Council to be kept up to date with progress on items presented to Council or that affect Council.

Council can add extra items to this report as they wish.

The concept of the report will be that every action from Council's Ordinary and Special Council Meetings will be placed into the Status Report and only when the action is fully complete can the item be removed from the register. However the item is to be presented to the next Council Meeting shading the item prior to its removal.

This provides Council with an explanation on what has occurred to complete the item and ensure they are happy prior to this being removed from the report.

TEN YEAR FINANCIAL PLAN

There is no direct impact on the long term financial plan.

FINANCIAL IMPLICATIONS

Financial Implications will be applicable depending on the decision of Council. However this will be duly noted in the Agenda Item prepared for this specific action.

STATUTORY IMPLICATIONS

BACKGROUND

To seek Council's endorsement for the application of the Shire of Kellerberrin Common Seal in accordance with the Common Seal Register.

STAFF COMMENT

Application of the Seal is accompanied by the signatures of the President and Chief Executive Officer.

A register is maintained to record all occasions on which the Seal is applied. The register is maintained, updated and should be presented to Council on a quarterly basis. A process will be put in place to ensure that this occurs. It is recommended that Council formalises the receipt of the affixation of the Common Seal Report for endorsement.

Generally, the Common Seal is only applied in circumstances where the Council has specifically resolved to enter into an agreement, lease or dispose of or acquire land. There are however, occasions where the Seal is required to be applied urgently and Council's endorsement is sought retrospectively.

Attached to this report is a short list of agreements that require Council endorsement for use of the Common Seal.

- Causes arise from lack of parking, lack of adequate drop-off and pick-up areas and driver behaviour.
- Issues include illegal parking and traffic movements leading to conflict and potentially dangerous situations.
- Issues are not exclusive to City of Wanneroo.
- Requires a wide-ranging review of standards and school location.
- Requires better management of traffic by schools and development of driver education programs.
- Requires development of options and programs to alternative modes of travel to and from school.

- Projects to be funded from this new \$380 million commitment will be determined following engagement with stakeholders and project delivery partners.
- This extension builds on the Australian Government's initial \$600 million investment, which is nearing completion. 2. *That the Government provide instruments to incentivise private industry to develop 3D printing and include this as an acceptable building practice.*

NOTES

- The section of the National Building Code that would need to change is National Construction Code, Building Code of Australia 2019 Volume 1 Amendment 1
- Australian Standards Adopted by Reference

NOTES

- State Government to legislate that Developers requiring Land Offsets within another Local Government pay for the loss of that rateable land to the Local Government whose land is being used as the offset.

ITEM 3.8

Advocate for a full review of the rating methodology used by the Valuer-General to value all land in the State of Western Australia.

NOTES

- Landgate conducts valuations of property based on the GRV and UV of a property.
- In Victoria valuations are conducted using the capital improved value of a property. This method should be explored.

- The principles have been endorsed by State Council at their 22 August 2022 Special Meeting.
- Following consideration of the principles, a thorough consultation and engagement process will be undertaken with members on potential future models.

9.8 KELLERBERRIN MEN'S SHED - KELLERBERRIN MEMORIAL TOWN HALL

File Ref: ICR222982
Author: Raymond Griffiths, Chief Executive Officer
Authoriser: Raymond Griffiths, Chief Executive Officer
Attachments: 1. Booking Form (under separate cover)
 2. Proposal - WEROC (under separate cover)

BACKGROUND

Council on the 3rd August 2022 received correspondence from the Kellerberrin Men's Shed approaching Council for the use of the Kellerberrin Memorial Hall for an extended period of time from 11th April 2023 – 22nd May 2023. The hire is for the WA Men's Shed Ironman Sculpture Awards.

Below is excerpt from the correspondence received from the Kellerberrin Men's Shed.

The Kellerberrin Men's Shed would like to approach Council for the use of the Kellerberrin Memorial Hall on the dates suggested above.

The Men's Shed will use the hall for wood craftsmanship for an upcoming festival which will include steel/metal and other media within other areas of town.

The Men's shed is requesting support from Council for this event and we write to you to request a subsidized rate for usage. Our request is for the hall over the periods indicated below;

<i>Members bring goods to town:</i>	<i>11th – 16th April 2023</i>
<i>Setup or Dump in:</i>	<i>16th – 20th April 2023</i>
<i>Opening:</i>	<i>21st April 2023</i>
<i>Opening to General Public:</i>	<i>22nd April 2023 – 19th May 2023</i>
<i>Bump Out:</i>	<i>20th – 21st May 2023</i>
<i>Return Keys and Clean up</i>	<i>22nd May 2023</i>

Requirements

<i>Use of Hall (Including Kitchen etc)</i>	<i>Four (4) Days</i>
<i>Use of Hall Only</i>	<i>Thirty One (31) Days</i>

The Kellerberrin Men's Shed is currently negotiating with a major sponsor who has requested confidentiality at this time. This will be finalised shortly.

This is a Kellerberrin Men's Shed initiative and support by Men's Sheds WA and its WA membership.

STAFF COMMENT

In reviewing the request from the Kellerberrin Men's Shed that consideration needs to be given should there be a requirement for the use of the Town Hall during that period requested. Council understands that should a booking be made the period is locked out for use, however with the venue not being fully hired (paid) is there some flexibility in this arrangement.

There is some occasions where the hall is hired for Funerals, Birthday and/or function as this is one of only a couple of facilities that are available to the community to hire for bigger numbers.

In addition to the above request, the Kellerberrin Men's Shed have written a formal request to WEROC for \$15,000 of funding. Information provided for the request of funding in the proposal is as follows;

Bags of Concrete – Australian Builders (aggregate, sand, cement)	20kg	\$8.80	9 bags	\$79.20	\$ 5,440
Purchase of metal posts (avg price)	450cm each	\$6.20	36 posts	\$223.20	
½" (13mm) diameter chain	2m ea	\$45.22	36 positions	\$1,627.92	
Super strength, High Security Padlock		\$97.50	36 positions	\$3,510.00	
Advertising in Newspapers/Teli					\$ 9,500
			TOTAL	Rounded up	\$15,000

The Kellerberrin Men's Shed attended the WEROC meeting held on Monday 5th September 2022 and presented a proposal with the request listed (*Proposal attached*) and adopted the following.

That WEROC Inc. provide in-principal letters of support for grant funding upon receipt of information from the Kellerberrin Men's Shed for each application.

TEN YEAR FINANCIAL PLAN

COMMUNITY CONSULTATION

The following consultation took place;

- Chief Executive Officer
- Shire of Kellerberrin - Town Planner
- Consulting Building Surveyor
- Land Owner

PLANNING ASSESSMENT

The development application raises several planning concerns. Firstly the height of the front fence at 1.6m tall exceeds the R-Code requirement of 1.2m. This clause in the codes was introduced for the purpose of sightlines. High street walls are undesirable as they separate residents from their streetscape, furthermore, impacting upon visual surveillance. As the fence is partially completed, it creates a difficult decision for Council. It is recommended that the fence be approved, however the applicant should only install gates that a visually permeable.

STAFF RECOMMENDATION

That Council approve the construction of the front fence at 70 Connelly Street, Kellerberrin, that exceeds the following R-Code prescription:

- C4.1; front fence height 1.2m, by 0.4m (proposed 1.6m) with the following conditions;

General Conditions

- Planning approval will expire if the development is not substantially commenced within two years of this approval;*
- The endorsed approved plans shall not be altered without prior written approval of the Shire; and*
- All gates in the front fence shall be visually permeable*

Advice Notes

Planning approval is not considered building approval. A building permit shall also be obtained.

STAFF COMMENT

Council's administration at the conclusion of the August 2022 Ordinary Meeting of Council issued the request through to its lawyers for review.

Further requests for additional information from Milligan Units were requested from the lawyers and subsequent responses as per attached emails.

Council on the 15th September 2022 received a formal response from the Lawyers stating the following conclusion (full letter is provided as an attachment);

Conclusion

In light of the above and in summary, we conclude as follows;

- 1. When considering the application of section 6.26(2)(g) of the LG Act is is the use of the land that is the critically material consideration;*
- 2. The 'land' in relation to which exclusivity of use is assessed is the whole of the land in question, as the applications for exemption made by the Applicant relates (as we understand it) to the whole of the Leased Premises;*
- 3. Under the circumstances, we are unable for lack of information to comment on whether the Leased Premises is exclusively (meaning the whole of the land) used for charitable purposes and thus would satisfy the requirements of section 6.26(2)(g) of the LG Act.*
