Hello,

My name is Paul Brown

I have lived in Kellerberrin for 20 years since moving here with my wife, Nicole, when we purchased a share in DKT Rural Agencies.

We have raised our family here with our two children attending the local primary school of which I was involved in the P & C for a number of years, as well as being the inaugural president of the school board for five years.

I have had terms as president on the Kellerberrin chamber of commerce and representing the Kellerberrin junior football club while coaching the juniors.

As a small business owner I am passionate about agriculture and the success of our surrounding farmers, I am also supportive of the improvement of infrastructure for local business and industry and the provision of facilities to attract families to Kellerberrin and to keep our youth here with future employment opportunities.

If elected for the position of councillor I would look forward to representing and serving my community.
